## **A' Banshee™**

The A' Banshee™ Box Call is a single sided box call crafted with a walnut box and curved cherry lid. The crucial call contact points are coated with a proprietary waterproof solution. This call will work soaking wet or dry without losing sound quality. The patented curved lid design compliments the “Rapid Fire” band system making “cutting” calls a snap. It is designed for both loud, long-distant calling and soft, close-in calling. This design also allows for one-hand operation.
