Outline Buster™ Brown Camo

The Outline Buster™ Brown Camo was designed by legendary outdoorsman, Dick Kirby. The blind is revolutionary by design and practical in use. The Outline Buster™ easily attaches to any vest, shirt or jacket by means of a safety pin. Strategically placed arm holes allow for easy access to your gun. The 3-dimensional blind offers the unique ability to break up your outline in the slimmest of cover. Simply pin it on, pull the blind from the hood and you are hidden in seconds.
