Brawler™ Buck Call

The Brawler™ Buck deer call is “Built Like A Buck”. Like a big buck’s chest, the mouthpiece carries some weight to it. The revolutionary “ESO TUBE” is constructed to mimic a buck’s esophagus. The hard, reverse cone on the end resembles the mouth of a buck. These three attributes produce the most realistic buck grunts ever. Young or old, loud or soft, tending to aggressive, the revolutionary Brawler is the most advanced grunt call ever developed.
